

# **FISCAL NOTE**

## **SB 3037**

February 10, 2004

### **SUMMARY OF BILL:**

- Requires private and state employed fire prevention and building officials to be certified by the State Fire Marshal to the same degree as municipal and county fire prevention and building officials.
- Requires the State Fire Marshal to accept certification from the National Fire Protection Association to satisfy certain standards.
- Removes the exception that certain experienced municipal and county building inspectors do not have to be certified.

### **ESTIMATED FISCAL IMPACT:**

**Increase State Revenues - \$5,400 One-Time; \$4,200 Triennially**

**Increase State Expenditures - Not Significant**

**Increase Local Govt. Expenditures - Not Significant**

Estimate assumes that:

- approximately 120 people would have to become certified and pay fees under the provisions of this bill. The certification is renewable every 3 years.
- any increase in state expenditures to implement and monitor the provisions of this bill is estimated to be not significant.
- any increase in local government expenditures to pay the certification fee for employees who are no longer exempt under the provisions of this bill is estimated to be not significant.

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
